

China Pharma Holdings, Inc. CEO to Speak at Brean Murray, Carret & Co. 2010 Life Sciences Summit

HAIKOU CITY, China, May 13 -- China Pharma Holdings, Inc. (NYSE AMEX: CPHI) ("China Pharma" or the "Company"), a leading fully-integrated specialty pharmaceuticals company in China, today announced that the Company's Chief Executive Officer and President, Ms. Zhilin Li, has been invited to be a speaker on a panel at the Brean Murray, Carret & Co. (BMC) 2010 Life Sciences Summit.

Brean Murray, Carret & Co. 2010 Life Sciences Summit will be held on Monday, May 17, 2010 at the Grand Hyatt Hotel in New York City. Ms. Li is scheduled to be one of five speakers on the "Winners and Losers of China Healthcare Reform" panel at 2:00 pm ET. The discussion will highlight the unprecedented \$124 billion healthcare reform in China, and the opportunities for and potential impact on a range of participants in the healthcare industry.

Ms. Li will be available to meet with institutional investors throughout the conference. For further details, please contact your respective institutional sales representative.

"I am honored to be invited as a panel speaker at BMC's 2010 Life Sciences Summit to discuss China's healthcare reform with industrial professionals, entrepreneurs and the investment community," said Ms. Zhilin Li, CEO and president of China Pharma, "I look forward to having an in-depth discussion with other industry experts on incremental government healthcare reform expenditure, essential drug list (EDL) and medical insurance, and corresponding strategies to capitalize on these new opportunities. We expect the impact of the reform to be significant to the pharmaceutical industry in the coming years. We will remain nimble to enhance our execution strategy as needed in response to the new environment when it becomes a reality."

As a founder of Hainan Helpson Medical & Biotechnology Co., Ltd., (a wholly owned subsidiary of CPHI), Ms. Li has demonstrated in-depth knowledge of the Chinese pharmaceutical market, and distinguished capabilities to design and execute strategies during the past 17 years of leading the Company.
